Preface

This Cumulative Supplement to Volume 12 contains the general laws of a permanent nature enacted by the General Assembly through the 1995 Regular Session, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings.

Chapter analyses show all affected sections, except sections for which catchlines are carried for the purposes of notes only. An index to all statutes codified herein will appear in the Replacement Index Volumes.

A majority of the Session Laws are made effective upon ratification, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 30 days after the adjournment of the session" in which passed.

Beginning with the opinions issued by the North Carolina Attorney General on July 1, 1969, any opinion which construes a specific statute is cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P. O. Box 629, Raleigh, N.C. 27602.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Cumulative Supplement and any suggestions they may have for improving the General Statutes, to the Department of Justice of the State of North Carolina, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

User's Guide

In order to assist both the legal profession and the layperson in obtaining the maximum benefit from the North Carolina General Statutes, a User's Guide has been included in Volume 1. This guide contains comments and information on the many features found within the General Statutes intended to increase the usefulness of this set of laws to the user. See the main volume for the complete User's Guide.

VOLUME 12

Chapter 75.
Monopolies, Trusts and Consumer Protection.

Article 3.

Motor Fuel Marketing Act.

Sec.
75-81. Definitions.

ARTICLE 1.
General Provisions.

§ 75-1.1. Methods of competition, acts and practices regulated; legislative policy.

CASE NOTES

- I. General Consideration.
- II. Trade or Commerce.
- III. Unfair and Deceptive Acts.
  - A. In General.
  - B. Illustrative Cases.

I. GENERAL CONSIDERATION.

Rental of residential property including a house and a trailer space was "in or affecting commerce" for the purposes of liability under this section for unfair or deceptive trade practices. Stolfo v. Kernodle, 118 N.C. App. 580, 455 S.E.2d 869 (1995).

Sale of Personal Residence. — In order to avoid liability under this section, a defendant must fit under one of the statutory exemptions or the "homeowner's exemption" for a private homeowner selling his or her personal residence recognized by the Court of Appeals. Stolfo v. Kernodle, 118 N.C. App. 580, 455 S.E.2d 869 (1995).

Who Are Protected. — The private homeowner's exemption continues to exist. Davis v. Sellers, 115 N.C. App. 1, 443 S.E.2d 879 (1994), cert. denied, 339 N.C. 610, 454 S.E.2d 248 (1995).

Applied in Ace Chem. Corp. v. DSI Transps., Inc., 115 N.C. App. 237, 446 S.E.2d 100 (1994).

Cited in Martin Marietta Corp. v. Wake Stone Corp., 339 N.C. 602, 453 S.E.2d 146 (1995).

II. TRADE OR COMMERCE.

The federal Copyright Act preempts any legal or equitable right under state law which is "equivalent" to any of the exclusive rights within the general scope of copyright, so that state law could not in fact make copyright infringement a violation of this act. Nintendo of Am., Inc. v. Aeropower Co., 34 F.3d 246 (4th Cir. 1994).

Referral Fee. — Although persons selling their own private residence are exempt from Chapter 75 liability, where defendant's wife received a referral fee, defendants' transaction was within the scope of this section. Davis v. Sellers, 115 N.C. App. 1, 443 S.E.2d 879 (1994), cert. denied, 339 N.C. 610, 454 S.E.2d 248 (1995).

III. UNFAIR AND DECEPTIVE ACTS.

A. In General.

Failure to Disclose Unenforceable Lien. — The failure of the seller of a boat to disclose the existence of a lien on the boat of which the seller had knowledge at the time but correctly believed to be invalid and unenforceable, constituted a violation of the act. Standing v. Midgett, 850 F. Supp. 396 (E.D.N.C. 1993).

B. Illustrative Cases.

Allegation of Misrepresentation Sufficient to Maintain Claim. — Claim in complaint that defendant continuously misrepresented its position, by leading the plaintiff to believe the defendant was guarantor on note, and held all the rights and obligations associated with being a guarantor, was sufficiently stated to survive a motion to dismiss. A.C. Monk & Co. v. UBAF Arab American Bank, 875 F. Supp. 311 (E.D.N.C. 1995).

Failure to Maintain Dwellings. — Where plaintiff failed to maintain dwellings in a safe, fit, and habitable condition and subsequently made demands for payment of rent, his actions constituted an unfair and deceptive trade practice. Creekside Apts. v. Poteat, 116 N.C. App. 26, 446 S.E.2d 826, cert. denied, 338 N.C. 308, 451 S.E.2d 632 (1994).

Damages Award Justified. —

The court's entry of judgments against manufacturer for treble damages on claim under this section and against seller for breach of implied warranty combined with the order that manufacturer fully indemnify seller allowed plaintiff double recovery. Barbee v. Atlantic Marine Sales & Serv., Inc., 115 N.C. App. 641, 446 S.E.2d 117 (1994).

§ 75-4. Contracts to be in writing.

CASE NOTES

This section does not support the proposition that any limitation on the right to do business must be in writing. York v. Golden Poultry Co., 883 F. Supp. 32 (E.D.N.C. 1995).

§ 75-5. Particular acts prohibited.

CASE NOTES

I. General Consideration.

I. GENERAL CONSIDERATION.

Cited in Martin Marietta Corp. v. Wake Stone Corp., 339 N.C. 602, 453 S.E.2d 146 (1995).

§ 75-16. Civil action by person injured; treble damages.

CASE NOTES

I. In General.
III. Damages.

I. IN GENERAL.

Violation of Federal Copyright Law. — The treble damages provision only authorizes the trebling of actual damages found to have resulted from violations of the Unfair and Deceptive Trade Practice Act. It does not purport to authorize trebling of either actual or statutory damages found recoverable for parallel violations of federal copyright law. Nintendo of Am., Inc. v. Aeropower Co., 34 F.3d 246 (4th Cir. 1994).

III. DAMAGES.

Claim based on the Debt Collection Act will not support punitive damages. Holloway v. Wachovia Bank & Trust Co., 339 N.C. 338, 452 S.E.2d 233 (1994).

Wrongful Eviction Actions. — The prohibition against punitive or treble damages in wrongful eviction actions contained in § 42-25.9(a) of the Ejectment of Residential Tenants Act does not preclude tenants from recovering treble damages under this section and attorney's fees under § 75-16.1 of the Unfair and Deceptive Practices Act. Stanley v. Moore, 339 N.C. 717, 454 S.E.2d 225 (1995).

Post-Judgment Interest. — Where the trial court properly trebled the jury's verdict pursuant to this section, under the plain language of § 24-5(b) only the portion of the judgment designated by the fact finder as "compensatory" accrues post-judgment interest. Custom Molders, Inc. v. American Yard Prods., Inc., 115 N.C. App. 156, 444 S.E.2d 224 (1994), cert. denied, — N.C. —, 454 S.E.2d 646 (1995).

§ 75-16.1. Attorney fee.

CASE NOTES

Willfulness Required for Award of Attorney's Fees. — While a showing of willfulness seems not to be required in order to establish a violation of the act with respect to ordinary damages, the portion of the statute relating to attorney's fees does require such showing. Standing v. Midgett, 850 F. Supp. 396 (E.D.N.C. 1993).

Findings Required. —

The court must make specific findings of fact that the actions of the party charged with violating Chapter 75 were willful, that he refused to resolve the matter fully, and that the attorney's fee was reasonable. Barbee v. Atlantic Marine Sales & Serv., Inc., 115 N.C. App. 641, 446 S.E.2d 117 (1994).

Plaintiff Not Entitled to Attorney's Fees. — Successful plaintiff in trade dress infringement action was not entitled to attorney's fees where the jury found that defendant did not intentionally copy plaintiff's trade dress. Tools USA & Equip. Co. v. Champ Frame Straightening Equip., Inc., 885 F.Supp. 141 (M.D.N.C. 1994).

Wrongful Eviction Actions. — The prohibition against punitive or treble damages in wrongful eviction actions contained in § 42-25.9(a) of the Ejectment of Residential Tenants Act does not preclude tenants from recovering treble damages under § 75-16 and attorney's fees under this section of the Unfair and Deceptive Practices Act. Stanley v. Moore, 339 N.C. 717, 454 S.E.2d 225 (1995).

Applied in Peterson v. Bozzano, 173 Bankr. 990 (Bankr. M.D.N.C. 1994).

Quoted in Custom Molders, Inc. v. American Yard Prods., Inc., 115 N.C. App. 156, 444 S.E.2d 224 (1994), cert. denied, — N.C. —, 454 S.E.2d 646 (1995).

Cited in Nintendo of Am., Inc. v. Aeropower Co., 34 F.3d 246 (4th Cir. 1994).

§ 75-16.2. Limitation of actions.

CASE NOTES

Applied in Barbee v. Atlantic Marine Sales & Serv., Inc., 115 N.C. App. 641, 446 S.E.2d 117 (1994).

Article 2.

Prohibited Acts by Debt Collectors.

§ 75-50. Definitions.

CASE NOTES

Applied in Creekside Apts. v. Poteat, 116 N.C. App. 26, 446 S.E.2d 826, cert. denied, 338 N.C. 308, 451 S.E.2d 632 (1994).

If a refiner or terminal supplier does not regularly sell to the wholesale class of trade at the terminal in question, then such refiner or terminal supplier shall use as the prevailing price either (i) the lowest price to the wholesale class of trade of those other refiners or terminal suppliers at the same terminal who regularly sell to the wholesaler class or (ii) a price determined by using standard functional accounting procedures.

(b) For all other sellers, cost includes the invoice or replacement cost, whichever is less, of the grade, brand or blend, of motor fuel within 10 days prior to the date of sale, in the quantity or quantities last purchased, less all rebates and discounts received including prompt payment discounts and plus all applicable State, federal and local taxes, and transportation expenses including freight expenses, incurred and not otherwise included in the cost of the motor fuel.

Effect of Amendments. — The 1995 amendment, effective January 1, 1996, rewrote subdivision (3).

Chapter 75A.

Boating and Water Safety.

Article 1.

Boating Safety Act.

Sec.
75A-3. Wildlife Resources Commission to administer Chapter; Motorboat Committee; funds for administration.

Sec.

ARTICLE 1.

Boating Safety Act.

§ 75A-3. Wildlife Resources Commission to administer Chapter; Motorboat Committee; funds for administration.

(a) It shall be the duty and responsibility of the North Carolina Wildlife Resources Commission to enforce and administer the provisions of this Chapter.

(b) The chairman of the Wildlife Resources Commission shall designate from among the members of the Wildlife Resources Commission three members who shall serve as the Motorboat Committee of the Wildlife Resources Commission, and who shall, in their activities with the Commission, place special emphasis on the administration and enforcement of this Chapter.

(c) The Boating Account is established within the Wildlife Resources Fund created under G.S. 143-250. All moneys collected pursuant to the numbering and titling provisions of this Chapter shall be credited to this Account. Gasoline excise tax revenue is credited to the Account under G.S. 105-449.126. Revenue in the Account shall be used by the Wildlife Resources Commission, subject to the Executive Budget Act and the Personnel Act, for the administration and enforcement of this Chapter; for activities relating to boating and water safety including education and waterway marking and improvement; and for boating access area acquisition, development, and maintenance. (1959, c. 1064, s. 3; 1961, c. 644; 1963, c. 1003; 1981 (Reg. Sess., 1982), c. 1182, s. 2; 1993, c. 422, s. 1; 1995, c. 390, s. 13.)

Effect of Amendments. —
The 1995 amendment, effective January 1, 1996, in subsection (c) divided the former second sentence into the present second and fourth sentences, in the present second sentence deleted "and pursuant to G.S. 105-446.2" following "Chapter", and "and" at the end of the sentence, added the third sentence, and added "Revenue in the Account shall be" in the present fourth sentence.

§ 75A-6. Classification; rules.

Local Modification. — Alexander, Burke, Caldwell, McDowell: 1995, c. 19, s. 1.

For additional local modifications to this section, see the main pamphlet.

§ 75A-10. Operating boat or manipulating water skis, etc., in reckless manner; operating, etc., while intoxicated, etc.; depositing or discharging litter, etc.

(a) No person shall operate any motorboat or vessel, or manipulate any water skis, surfboard, or similar device on the waters of this State in a reckless or negligent manner so as to endanger the life, limb, or property of any person.

(b) No person shall manipulate any water skis, surfboard, nonmotorized vessel, or similar device on the waters of this State while under the influence of an impairing substance.

(b1) No person shall operate any motorboat or motor vessel while underway on the waters of this State:

(1) While under the influence of an impairing substance, or

(2) After having consumed sufficient alcohol that he has, at any relevant time after the boating, an alcohol concentration of 0.08 or more.

The fact that a person charged with violating this subsection is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this subsection or subsection (b) above.

The relevant definitions contained in G.S. 20-4.01 shall apply to this subsection and subsection (b) above.

(c) No person shall place, throw, deposit, or discharge or cause to be placed, thrown, deposited, or discharged on the waters of this State or into the inland lake waters of this State, any litter, raw sewage, bottles, cans, papers, or other liquid or solid materials which render the waters unsightly, noxious, or otherwise unwholesome so as to be detrimental to the public health or welfare or to the enjoyment and safety of the water for recreational purposes.

(d) No person shall place, throw, deposit, or discharge or cause to be placed, thrown, deposited, or discharged on the waters of this State or into the inland lake waters of this State any medical waste as defined by G.S. 130A-290 which renders the waters unsightly, noxious, or otherwise unwholesome so as to be detrimental to the public health or welfare or to the enjoyment and safety of the water for recreational purposes. (1959, c. 1064, s. 10; 1965, c. 634, s. 3; 1985, c. 615, ss. 1-5; 1989, c. 742, s. 1; 1995, c. 506, s. 14.)

Editor's Note. —

Session Laws 1995, c. 505, which amended this section, in s. 15 provides that the act shall not be construed to abate or affect any charges or violations occurring before September 15, 1995.

Effect of Amendments. — The 1995 amendment, effective September 15, 1995, and applicable to offenses committed on or after that date and to limited driving privileges issued after that date, substituted "0.08" for "0.10" in subdivision (b1)(2).

Legal Periodicals. — For article, "Coastal Management Law in North Carolina: 1974-1994," see 72 N.C.L. Rev. 1413 (1994).

Chapter 75D.

Racketeer Influenced and Corrupt Organizations.

Sec.
75D-6. Power to compel examination.
75D-7. False testimony.

§ 75D-1. Short title.

CASE NOTES

Cited in Kaplan v. Prolife Action League, 111 N.C. App. 1, 431 S.E.2d 828 (1993); Teague v. Bakker, 35 F.3d 978 (4th Cir. 1994).

§ 75D-3. Definitions.

Editor's Note. —

Sections 14-78.1, 14-86, and 14-201 referred to above have been repealed by Session Laws 1994 Extra Session, c. 14, ss. 72(1), 72(3), and 72(10), effective October 1, 1994.

CASE NOTES

Racketeering Activity. — Where defendant was convicted of gambling in houses of public entertainment in violation of § 14-293, operating or possessing gambling devices in violation of § 14-302, and selling or possessing numbers tickets in violation of § 14-291.1, his actions constituted "racketeering activity" under the alternate definition established in this section. State ex rel. Thornburg v. Lot & Bldgs. at 800 Waughtown St., 107 N.C. App. 559, 421 S.E.2d 374, cert. denied, 333 N.C. 170, 424 S.E.2d 915 (1992).

Gambling is "racketeering activity" under the North Carolina RICO Act. State ex rel. Thornburg v. Lot & Bldgs. at 800 Waughtown St., 107 N.C. App. 559, 421 S.E.2d 374, cert. denied, 333 N.C. 170, 424 S.E.2d 915 (1992).

§ 75D-5. RICO civil forfeiture proceedings.

CASE NOTES

Payment of Proceeds from Sale of Forfeited Property. — Since the Racketeer Influenced and Corrupt Organizations Act (RICO) provides that the proceeds from the sale of RICO forfeited property accrue to the State, such proceeds must therefore be paid to the public school fund as required by N.C. Const., Art. IX, § 7. State ex rel. Thornburg v. 532 "B" Street, 334 N.C. 290, 432 S.E.2d 684 (1993).

Evidence. — There was ample evidence to show that defendant's property was used in the course of a racketeering activity where the State's forecast of evidence revealed that each incident of criminal conduct took place on the real property for which forfeiture was sought, where also included in the State's evidence were affidavits of law enforcement officers showing without question that such property was used to further defendant's criminal activity, and where at the hearing before the trial court, the defendant made no effort to rebut or contest the State's evidence. State ex rel. Thornburg v. Lot & Bldgs. at 800 Waughtown St., 107 N.C. App. 559, 421 S.E.2d 374, cert. denied, 333 N.C. 170, 424 S.E.2d 915 (1992).

Pattern of Racketeering Activity. — Where the defendant engaged in at least two incidents of racketeering activity that had the same or similar purposes and methods of commission and at least one incident occurred within a four-year period of the other, two of defendant's gambling convictions alone would constitute a "pattern of racketeering activity" under this Act. State ex rel. Thornburg v. Lot & Bldgs. at 800 Waughtown St., 107 N.C. App. 559, 421 S.E.2d 374, cert. denied, 333 N.C. 170, 424 S.E.2d 915 (1992).

Property Used in Furtherance of Unlawful Activity. — Where the evidence adduced at trial clearly showed that defendant engaged in a pattern of racketeering activity and that certain of his property was used in furtherance of such unlawful activity, the defendant's property was subject to forfeiture. State ex rel. Thornburg v. Lot & Bldgs. at 800 Waughtown St., 107 N.C. App. 559, 421 S.E.2d 374, cert. denied, 333 N.C. 170, 424 S.E.2d 915 (1992).

§ 75D-6. Power to compel examination.

Whenever the Attorney General has reason to believe that any person or enterprise may have information or may be in possession, custody or control of any documentary materials relevant to an activity prohibited under G.S. 75D-4, he may issue in writing, and cause to be served upon such person or upon the appropriate officers, agents, and employees of any such enterprise (other than one employed as an attorney by such person or enterprise), a notice requiring such person or enterprise to submit themselves to examination by him, and produce for his inspection any documentary material relevant to an investigation of activities prohibited by G.S. 75D-4.

The notice shall be served either personally or by registered or certified mail return receipt requested. The notice shall specify the general purpose of the examination, a general description of the documentary material to be produced, and the time and place where such examination will take place. The witness shall be placed under oath or affirmation to testify truthfully. The examination shall be recorded and the witness has the right to a copy upon payment of its cost. The witness has the right to have legal counsel present during the examination.

The Attorney General shall also have the right to apply to any judge of the superior court division, after five days' prior notice of such application served in the same manner as the notice of examination described in this section, for an order requiring such person or enterprise to appear and subject himself or itself to examination, and disobedience of such order shall constitute contempt, and shall be punishable as in other cases of disobedience of a proper order of such court.

No such demand or order of a court shall contain any requirement which would be held to be unreasonable if contained in a civil discovery request or court order issued pursuant to G.S. 1A-1, Rules of Civil Procedure 26-36. Any person or enterprise upon whom a demand is served and who objects to complying with such demand in whole or in part, shall, within five days of service of the demand, serve a written reply upon the Attorney General specifying the nature of the objection.

Such examination shall be held in camera and no one, except the person or enterprise being examined, may release information obtained from the examination prior to a proceeding being instituted under this Chapter by the Attorney General. Such information may be used in any proceeding instituted under this Chapter by the Attorney General. Any person violating the provisions of this paragraph shall be guilty of a Class 1 misdemeanor. If such offending person is a public officer or employee, he shall also be dismissed from such office or employment and shall not hold any public office or employment in this State for a period of five years after conviction. This paragraph does not prohibit disclosure of this information to other employees of the Department of Justice, or to district attorneys designated in writing by the Attorney General as authorized to receive this information. (1985 (Reg. Sess., 1986), c. 999, s. 1; 1993, c. 539, s. 569; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — The 1993 amendment, effective October 1, 1994, and applicable to offenses occurring on or after that date, substituted "Class 1 misdemeanor" for "misdemeanor and fined not less than two hundred dollars ($200.00) nor more than one thousand dollars ($1,000) or imprisoned, or both" in the third sentence of the fifth paragraph.

§ 75D-7. False testimony.

ARTICLE 5.

High Rock Lake Marine Commission.

§ 77-57. Regulatory authority.

(a) Except as limited in subsection (b) below, by restrictions in any joint ordinance, and by other supervening provisions of law, the Commission may make regulations applicable to High Rock Lake and its shoreline area concerning all matters relating to or affecting the use of High Rock Lake. These regulations may not conflict with or supersede provisions of general or special acts or of regulations of State agencies promulgated under the authority of general law. No regulations adopted under the provisions of this section may be adopted by the Commission except after public hearing, with publication of notice of the hearing in a newspaper of general circulation in the two counties at least 10 days before the hearing. In lieu of or in addition to passing regulations supplementary to State law and regulations concerning the operation of vessels on High Rock Lake, the Commission may, after public notice, request that the Wildlife Resources Commission pass local regulations on this subject in accordance with the procedure established by appropriate State law.

(b) Violation of any regulation of the Commission commanding or prohibiting an act shall be a Class 3 misdemeanor.

(c) The regulations promulgated under this section take effect upon passage or upon such dates as may be stipulated in the regulations except that no regulation may be enforced unless adequate notice of the regulation has been posted in or on High Rock Lake or its shoreline area. Ordinances providing regulations for specific areas shall clearly establish the boundaries of the affected area by including a map of the regulated area, with the boundaries clearly drawn, or by setting out the boundaries in a written description, or by a combination of these techniques. Adequate notice as to a regulation affecting only a particular location shall be given in the following manner. When an ordinance providing regulations for a specific area is proposed, owners of the parcel of land involved as shown on the county tax listing, and the owners of land within 500 feet of the proposed area to be regulated, as shown on the county tax listing, shall be mailed a notice of the proposed classification by first-class mail at the last addresses listed for such owners on the county tax abstracts. This mailing requirement does not apply in regulations affecting the entire lake. Notice shall also be given by a sign, uniform waterway marker, posted notice, or other effective method of communicating the essential provisions of the regulation in the immediate vicinity of the location in question. Where a regulation applies generally as to High Rock Lake or its shoreline area, or both, there must be a posting of notices, signs, or markers communicating the essential provisions in at least three different places throughout the area, and it shall be printed in a newspaper of general circulation in the two counties.

(d) A copy of each regulation promulgated under this section must be filed by the Commission with the following persons:

(1) The Secretary of State;
(2) The clerks of superior court of Davidson and Rowan Counties;
(3) The Executive Director of the Wildlife Resources Commission; and
(4) The federal Energy Regulatory Commission licensee for High Rock Lake.

(e) Any official designated in subsection (d) above may issue certified copies of regulations filed with the official under the seal of the official's office. Such certified copies may be received in evidence in any proceeding.

(f) Publication and filing of regulations promulgated under this section as required above are for informational purposes and is not a prerequisite to their validity if they in fact have been duly promulgated, the public has been notified as to the substance of the regulations, a copy of the text of all regulations is in fact available to any person who may be affected, and no party to any proceeding has been prejudiced by any defect that may exist with respect to publication and filing. Rules and regulations promulgated by the Commission under the provisions of other sections of this Article relating to internal governance of the Commission need not be filed or published. Where posting of any sign, notice, or marker, or the making of other communication is essential to the validity of a regulation duly promulgated, it is presumed in any proceeding that prior notice was given and maintained and the burden lies upon the party asserting to the contrary to prove lack of adequate notice of any regulation. (1993, c. 355, s. 8; 1993 (Reg. Sess., 1994), c. 767, s. 27.)

Editor's Note. — Session Laws 1993 (Reg. Sess., 1994), c. 767, which amended this section, in s. 34 provides: "Prosecution for, or sentences based on, offenses occurring before the effective date of this act are not abated or affected by the repeal or amendment in this act of any statute, and the statutes that would be applicable to those prosecutions or sentences but for the provisions of this act remain applicable to those prosecutions or sentences."

Effect of Amendments. — The 1993 (Reg. Sess., 1994) amendment, effective

October 1, 1994, substituted "Class 3 misdemeanor" for "misdemeanor punishable by a fine not to exceed two hundred dollars ($200.00) or imprisonment for not more than 30 days" in subsection (b).

CASE NOTES

There was sufficient evidence to support an indictment for a violation of this section where the State presented evidence showing that defendant advised the victims, for a 10 percent (10%) commission, to invest in the securities of several corporations and that defendant told the victims that the value of these securities would increase by various amounts in the future, promising extravagantly large returns on their original investment. State v. Clemmons, 111 N.C. App. 569, 433 S.E.2d 748 (1993).

ARTICLE 4.

Administration and Review.

§ 78C-28. Injunctions; cease and desist orders; civil penalties.

(a) Whenever it appears to the Administrator that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this Chapter or any rule or order hereunder, he may in his discretion bring an action in any court of competent jurisdiction to enjoin the acts or practices and to enforce compliance with this Chapter or any rule or order hereunder. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. In addition to any other remedies provided by this Chapter, the Administrator may apply to the court hearing this matter for an order of restitution whereby the defendant in such action shall be ordered to make restitution of those sums shown by the Administrator to have been obtained by him in violation of any of the provisions of this Chapter. Such restitution shall be payable, in the discretion of the court, to the Administrator or receiver appointed pursuant to this section for the benefit of those persons whose assets were obtained in violation of this Chapter, or directly to those persons. The court may not require the Administrator to post a bond.

(b)(1) If the Administrator determines after giving notice of an opportunity for a hearing, that any person has engaged in, or is about to engage in, any act or practice constituting a violation of any provision of this Chapter or any rule or order hereunder, he may order such person to cease and desist from such unlawful act or practice and take such affirmative action as in the judgment of the Administrator will carry out the purposes of this Chapter.

(2) If the Administrator makes written findings of fact that the public interest will be irreparably harmed by delay in issuing an order under G.S. 78C-28(b)(1), the Administrator may issue a temporary cease and desist order. Upon the entry of a temporary cease and desist order, the Administrator shall promptly notify in writing the person subject to the order that such order has been entered, the reasons therefor, and that within 20 days after the receipt of a written request from such person the matter shall be set down for hearing to determine whether or not the order shall become permanent and final. If no hearing is requested and none is ordered by the Administrator, the order shall remain in effect until it is modified or vacated by the Administrator. If a hearing is requested or ordered, the Administrator, after giving notice of an opportunity for a hearing to the person subject to the order, shall by written findings of fact and conclusion of law, vacate, modify, or make permanent the order.

(3) No order under subsection (b) of this section, except an order issued pursuant to G.S. 78C-28(b)(2), may be entered without prior notice or an opportunity for hearing. The Administrator may vacate or modify an order under subsection (b) of this section upon his finding that the conditions which required such an order have changed and that it is in the public interest to so vacate or modify.

(4) A final order issued pursuant to the provisions of subsection (b) of this section shall be subject to review as provided in G.S. 78C-29.

(c) The Administrator may issue an order against an applicant, registered person, or other person who willfully violates this Chapter or a rule or order of the Administrator under this Chapter:

(1) Imposing a civil penalty of up to two thousand five hundred dollars ($2,500) for a single violation or of up to twenty-five

thousand dollars ($25,000) for multiple violations in a single proceeding or a series of related proceedings; and

(2) Requiring reimbursement of the costs of investigation.

Any civil penalty or reimbursement imposed under this subsection shall be paid into the General Fund. No order authorized by this subsection may be entered without prior notice of an opportunity for a hearing conducted pursuant to Article 3 of Chapter 150B of the General Statutes. (1987 (Reg. Sess., 1988), c. 1098, s. 1; 1991, c. 456, s. 7.)

ARTICLE 5.

Civil Liabilities and Criminal Penalties.

§ 78C-38. Civil liabilities.

(a) Any person who:

(1) Engages in the business of advising others, for compensation, either directly or through publications or writings, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities, or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities, in violation of G.S. 78C-8(b), G.S. 78C-16(a) or (b) (an action pursuant to a violation of G.S. 78C-16(b) may not be maintained except by those persons who directly received advice from the unregistered investment adviser representative), G.S. 78C-10(b), or of any rule or order under G.S. 78C-30(d) which requires the affirmative approval of sales literature before it is used, or

(2) Receives, directly or indirectly, any consideration from another person for advice as to the value of securities or their purchase or sale, whether through the issuance of analyses, reports or otherwise and employs any device, scheme, or artifice to defraud such other person or engages in any act, practice or course of business which operates or would operate as a fraud or deceit on such other person, in violation of G.S. 78C-8(a)(1) or (2),

is liable to any person who is given such advice in such violation, who may sue either at law or in equity to recover (i) the consideration paid for such advice together with interest thereon at the legal rate as provided in G.S. 24-1 from the date of payment of the consideration, plus (ii) the actual damages to such person proximately caused by such violation, plus (iii) costs of the action and reasonable attorneys' fees. An action based on violation of G.S. 78C-8(b) may not prevail where the person accused of the violation sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the existence of the facts by reason of which the liability is alleged to exist.

(b) Every person who directly or indirectly controls a person liable under subsection (a) of this section, including every partner, officer, or director of such a person, every person occupying a similar status or performing similar functions, every employee or associate of such a person who materially aids in the conduct giving rise to the liability, and every dealer or salesman who materially aids in such conduct is liable jointly and severally with and to the same extent as such person, unless able to sustain the burden of proof that he did not know, and in the exercise of reasonable care should not have known of the existence of the facts by reason of which the liability is alleged to exist. There is contribution as in cases of contract among the several persons so liable and as provided among tort-feasors pursuant to Chapter 1B of the General Statutes.

(c) Every cause of action under this statute survives the death of any person who might have been a plaintiff or defendant.

(d) No person may sue under this section more than three years after the rendering of investment advice in violation of this Chapter, except that in the case of a violation of G.S. 78C-8(a)(1) or (2) a person may sue under this section within two years after such person discovers or should have discovered, the facts constituting the violation.

(e) No person who has made or engaged in the performance of any contract in violation of any provision of this Chapter or any rule or order hereunder, or who has acquired any purported right under such contract with knowledge of the facts by reason of which its making or performance was in violation, may base any suit on the contract.

(f) Any condition, stipulation, or provision binding any person receiving any investment advice to waive compliance with any provision of this Chapter or any rule or order hereunder is void.

(g) The rights and remedies provided by this Chapter are in addition to any other rights or remedies that may exist at law or in equity, but this Chapter does not create any cause of action not specified in this section or G.S. 78C-17(e). (1987 (Reg. Sess., 1988), c. 1098, s. 1; 1991, c. 456, s. 8.)

§ 78C-39. Criminal penalties.

(a) Any person who willfully violates any provision of this Chapter except G.S. 78C-8(a)(1), 78C-8(a)(2), 78C-8(b), or 78C-9 or who willfully violates G.S. 78C-9 knowing the statement made to be false or misleading in any material respect, shall upon conviction be punished as a Class I felon. Any person who willfully violates G.S. 78C-8(a)(1), 78C-8(a)(2), or 78C-8(b) shall, upon conviction, be punished as a Class H felon.

(b) The Administrator may refer such evidence as is available concerning violations of this Chapter or of any rule or order hereunder to the proper district attorney, who may, with or without such a reference, institute the appropriate criminal proceedings under this Chapter. Upon receipt of such reference, the district attorney may request that a duly employed attorney of the Administrator prosecute or assist in the prosecution of such violation or violations on behalf of the State. Upon approval of the Administrator, such employee may be appointed a special prosecutor for the district attorney to prosecute or assist in the prosecution of such violations without receiving compensation from the district attorney. Such special prosecutor shall have all the powers and duties prescribed by law for district attorneys and such other powers and duties as are lawfully delegated to such special prosecutor by the district attorney for violations of this Chapter.

(c) Nothing in this Chapter limits the power of the State to punish any person for any conduct which constitutes a crime by statute or at common law. (1987 (Reg. Sess., 1988), c. 1098, s. 1; 1991, c. 456, s. 9.)

ARTICLE 8.

Upon receipt of such reference, the district attorney may request that a duly employed attorney of the Secretary of State assist in the prosecution of such violation or violations on behalf of the State.

(e) Nothing in this Article limits the power of the State to punish any person for any conduct which constitutes a crime by statute or at common law. (1989 (Reg. Sess., 1990), c. 865, s. 1; 1993, c. 539, s. 1288; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — The 1993 amendment, effective October 1, 1994, and applicable to offenses occurring on or after that date, substituted "Class I felony" for "Class J felony" in subsection (c).

Sec.
85B-4. Licenses required.
85B-6. Fees; local governments not to charge fees or require licenses.
85B-7.1. Handling clients' funds.
85B-9. Penalties and enforcement.

§ 85B-1. Definitions.

Legal Periodicals. — For article, "The Learned Profession Exemption of the North Carolina Deceptive Trade Practices Act: The Wrong Bright Line?," see 15 Campbell L. Rev. 223 (1993).

§ 85B-4. Licenses required.

(a) No person who is not exempt under G.S. 85B-2, shall sell, or offer to sell, goods or real estate at auction in this State or perform any act for which an auction firm license is required unless the person holds a currently valid license issued under this Chapter.

(b) No person shall be licensed as an apprentice auctioneer, auctioneer, or receive an auction firm license if the person:

(1) Is under 18 years of age;
(2) Repealed by Session Laws 1983, c. 751, s. 6.
(3) Has within the preceding five years pleaded guilty to, entered a plea of nolo contendere or been convicted of any felony, or committed or been convicted of any act involving fraud or moral turpitude;
(4) Has had an auctioneer or apprentice auctioneer or auction firm license revoked; or
(5) Has, within the preceding five years, committed any act which constitutes grounds for license suspension or revocation under this Chapter or a Commission rule.

(c) Each applicant for an apprentice auctioneer license shall submit a written application in a form approved by the Commission and containing at least two statements by residents of the community in which the applicant resides attesting to the applicant's good moral character.

(c1) Each apprentice auctioneer application and license shall name a licensed auctioneer to serve as the supervisor of the apprentice. No apprentice auctioneer may enter into an agreement to conduct an auction, or conduct an auction, without the express approval of his supervisor. The supervisor shall review all contracts before approving them and shall regularly review the records his apprentice is required to maintain under G.S. 85B-7 to see that they are accurate and current, and shall perform such other supervisory duties as may be required by the Commission.

(d) No person shall be licensed as an auctioneer unless the person has held an apprentice auctioneer license and served as an apprentice auctioneer for the two preceding years, accumulated sufficient knowledge and experience in such areas of the auctioneer profession as the Commission may deem appropriate, and has taken an examination approved by the Commission and performed on it to the satisfaction of the Commission. The examination shall test the applicant's understanding of the law relating to auctioneers and auctions, ethical practices for auctioneers, the mathematics applicable to the auctioneer business, and such other matters relating to auctions as the Commission considers appropriate. The examination shall be given at least twice each year in Raleigh, and at other times and places the Commission designates, but no person shall be allowed to take the examination within six months after having failed it a second time.

Any person who has been in the auctioneer business in this State for at least two years prior to the effective date of this act [July 1, 1973], and who makes proper application to the Commission within one year after July 1, 1973, may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice of two years, and without taking the examination required by this subsection. Any person who has successfully completed the equivalent of at least 80 hours of classroom instruction in a course in auctioneering at an institution approved by the Commission may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice for two years, but must take the examination required by this subsection and perform on it to the satisfaction of the Commission.

Each applicant for an auctioneer license shall submit a written application in a form approved by the Commission. If the applicant has been previously licensed as an apprentice auctioneer, the application shall contain an evaluation by the applicant's supervisor of the applicant's performance as an apprentice auctioneer and the applicant's performance in specific areas as required by the Commission. If the applicant is exempted from apprenticeship after completion of the equivalent of at least 80 hours of classroom instruction in auctioneering, the application shall contain a transcript of the applicant's course work in auctioneering. Each application shall be accompanied by statements of at least two residents of the community in which the applicant resides attesting to the applicant's good moral character. The Commission may require verification of any information included in an application for an auctioneer license and may request other information or verification of information provided to determine whether the applicant possesses the good moral character or other qualifications for licensure.

(e) Each license issued under this Chapter shall be valid from July 1 of the year issued, or from the date issued, whichever is later, to the following June 30 unless sooner revoked or suspended pursuant to this Chapter or a rule of the Commission. A license may be renewed for one year at a time, except an apprentice auctioneer license may not be renewed for more than three times. No examination shall be required for renewal of an auctioneer license if the application for renewal is made within 24 months of the expiration of the previous license.

(f) No person shall be issued an auctioneer or apprentice auctioneer license until the person has made the contribution to the Fund as required by G.S. 85B-4.1.

(g) An auction firm must be licensed by the Board even though no owner or officer of the firm acts as an auctioneer. To be licensed an auction firm must make the contribution to the Fund as required by G.S. 85B-4.1 and must pay the proper fees as set out in G.S. 85B-6. Auction firms are covered by the provisions of G.S. 85B-8.

An auction firm license issued by the Commission is restricted to the persons named in the license and does not inure to the benefit of any other person. Where a license is issued to an auction firm, authority to transact business under the license is limited to the person or persons designated in the application and named in the license.

The designated person or persons, prior to being licensed, shall be required to take a written examination, approved by the Commission, and demonstrate to the satisfaction of the Commission a thorough understanding of the law relating to the conduct of the auction business and other matters the Commission deems appropriate. An individual who is licensed as an auctioneer and who is the designated person applying for an auction firm license is not required to take the auction firm examination. Licensed real estate brokers and real estate firms may be exempt from the auction firm examination provided they employ or associate themselves with a licensed auctioneer to handle those aspects of the transactions peculiar to the auctioneer profession. Any person or entity, on the effective date of this Chapter, duly licensed as an auction firm in good standing is not required to take any examination in order to maintain or to renew an auction firm license provided that the license does not otherwise expire or lapse and is not suspended or revoked by the Commission.

(h) The Commission shall publish at least once a year a list of names and addresses of all persons, sole proprietorships, partnerships and corporations holding valid apprentice auctioneer, auctioneer, or auction firm licenses.

(i) The Commission may investigate as it deems necessary the ethical background of any applicant for licensure under this Chapter. (1973, c. 552, s. 4; c. 1195, ss. 1, 2; 1975, c. 648, ss. 2-4; 1983, c. 603, s. 4; c. 751, ss. 6-8; 1989, c. 732, s. 1; 1991 (Reg. Sess., 1992), c. 819, s. 4; c. 1030, s. 51.5; 1993, c. 421, s. 3.)

Editor's Note. — Session Laws 1993, c. 421, s. 3, amended this section effective July 21, 1993, and applicable to fees due on or after that date, by, in the first sentence of the first paragraph of subsection (g), substituting "by the Board" for "as an auctioneer business" and substituting "the firm" for "that business".

§ 85B-6. Fees; local governments not to charge fees or require licenses.

(a) The Commission shall collect and remit to the State Treasurer fees in an amount not to exceed the following:

Item	Maximim Fee
Apprentice Auctioneers:	
Application for license	$ 50.00
Issuance or renewal of license	50.00
Auctioneers:	
Application for license	50.00
Examination	25.00
Issuance or renewal of license	100.00
Auction Firms:	
Application for license	50.00
Examination	25.00
Issuance or renewal of license	100.00
Reinstatement of License	25.00.

An application fee for a license and an examination fee are nonrefundable. The amount payable by a nonresident under G.S. 85B-5 to obtain a nonresident reciprocal auctioneer license is the greater of the amount set in the above table for an examination for and the issuance of an auctioneer's license and the amount the nonresident's state would charge a resident auctioneer of this State to obtain a comparable license from that state.

A reinstatement fee is payable when a person applies for renewal of a license after the license has lapsed for failure to renew it before it expired. The reinstatement of a lapsed license is not retroactive in effect and does not limit the authority of the courts or of the Commission to take disciplinary action against a person who engages in the auctioneer profession with a lapsed license.

(b) No local government or agency of local government may charge any fees or require any licenses for auctioneers, apprentice auctioneers, or auction firms in addition to those set out in this Chapter. (1973, c. 552, s. 6; c. 1195, s. 3; 1975, c. 648, s. 5; 1977, 2nd Sess., c. 1219, s. 43.7; 1983, c. 751, s. 12; 1991 (Reg. Sess., 1992), c. 819, s. 18; 1993, c. 421, s. 1.)

Editor's Note. — Session Laws 1993, c. 421, s. 1, amended this section effective July 21, 1993, and applicable to fees due on or after that date, by rewriting subsection (a) and in subsection (b) substituting "auction firms" for "auctioneer businesses".

§ 85B-7.1. Handling clients' funds.

(a) Each licensee shall maintain a trust or escrow account and shall deposit in the account all funds that are received for the benefit of another person and are not disbursed to the seller on auction day. The licensee shall deposit funds that are not disbursed on auction day with an insured bank or savings and loan association located in North Carolina. A licensee who disburses funds on auction day shall prepare a receipt or settlement statement for the disbursed funds that contains the name and address of the person receiving the disbursement and the amount of the disbursement. The receipt or statement shall be signed by the licensee and the person receiving the disbursement.

(b) Each licensee shall maintain, for not less than five years, complete records showing the deposit, maintenance, and withdrawal of trust or escrow funds and the disbursement of funds on auction day. Records of the disbursement of funds on auction day shall include a copy of each receipt or settlement statement issued when the funds were disbursed. The Commission or its designated agent may inspect these records periodically, without prior notice, and may also inspect these records whenever the Commission determines that they are pertinent to an investigation of any specific complaint against a licensee. (1991 (Reg. Sess., 1992), c. 819, s. 20; 1993, c. 421, s. 2.)

§ 85B-9. Penalties and enforcement.

(a) Any person, corporation or association of persons violating the provisions of G.S. 85B-4(a) shall be guilty of a Class 1 misdemeanor.

(b) The Commission may in its own name seek injunctive relief in the General Court of Justice to restrain any violation or anticipated violation of the provisions of G.S. 85B-4(a) or any violation of this Chapter.

(c) The Commission shall be entitled to the services of the Attorney General of North Carolina in enforcing the provisions of this Chapter or may employ an attorney to assist and represent it in enforcement of specific matters. (1973, c. 1195, s. 6; 1975, c. 648, s. 7; 1991 (Reg. Sess., 1992), c. 819, s. 22; 1993, c. 539, s. 600; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1993, c. 539, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

Effect of Amendments. — The 1993 amendment, effective October 1, 1994, and applicable to offenses occurring on or after that date, substituted "Class 1 misdemeanor" for "misdemeanor and shall be punished by fine, or imprisonment, or both, in the discretion of the court" in subsection (a).

Chapter 86A.

Barbers.

Sec.
86A-22. Licensing and regulating barber schools and colleges.

§ 86A-22. Licensing and regulating barber schools and colleges.

The North Carolina State Board of Barber Examiners may approve barber schools or colleges in the State, and may prescribe rules and regulations for their operation. No barber school or college shall be approved by the Board unless the school or college meets all of the following requirements:

(1) Each school shall provide a course of instruction of at least 1528 hours.

(2) (i) Each school shall have at least two instructors, except that schools that are nonprofit educational institutions with a curriculum and continuing education support system established with a State university or community college shall have at least one instructor for every 20 enrolled students, provided the one instructor may not conduct classroom lectures and study periods, or lectures and demonstrations on practical work, during the same time the one instructor is providing students with supervised practice in barbering. Each instructor must hold a valid instructor's certificate issued by the Board. (ii) Programs established in post-secondary institutions shall be authorized only after they have been evaluated through the academic program approval processes as established by the respective governing boards. The boards, in evaluating instructional and fiscal resources included in the documents submitted requesting authority to offer programs in barbering, shall determine that standards are in place to ensure that programs established remain in compliance with appropriate accreditation agencies.

(3) An application for a student's permit and a doctor's certificate, on forms prescribed by the Board, must be filed with the Board before the student enters school. No student may enroll without having obtained a student's permit.

(4) Each student enrolled shall be given a complete course of instruction on the following subjects: hair cutting; shaving; shampooing, and the application of creams and lotions; care and preparation of tools and implements; scientific massaging and manipulating the muscles of the scalp, face, and neck; sanitation and hygiene; shedding and regrowth of hair; elementary chemistry relating to sterilization and antiseptics; instruction on common skin and scalp diseases to the extent that they may be recognized; pharmacology as it relates to preparations commonly used in barbershops; instruction in the use of electrical appliances and the effects of the use of these on the human skin; structure of the skin and hair; nerve points of the face; the application of hair dyes and bleaches; permanent waving; marcelling or

hair pressing; frosting and streaking; and the statutes and regulations relating to the practice of barbering in North Carolina. The Board shall specify the minimum number of hours of instruction for each subject required by this subsection.

(5) Each school shall file an up-to-date list of its students with the Board at least once a month. If a student withdraws or transfers, the school shall file a report with the Board stating the courses and hours completed by the withdrawing or transferring student. The school shall also file with the Board a list of students who have completed the amount of work necessary to meet the licensing requirements.

(6) Each school shall comply with the sanitary requirements of G.S. 86A-15.

(7)a. Each school shall provide a guaranty bond unless the school has already provided a bond or an alternative to a bond under G.S. 115D-95.

The North Carolina State Board of Barber Examiners may revoke the approval of a school that fails to maintain a bond or an alternative to a bond pursuant to this subdivision or G.S. 115D-95.

b. When application is made for approval or renewal of approval, the applicant shall file a guaranty bond with the clerk of the superior court of the county in which the school will be located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of a school's approval, bankruptcy, foreclosure, or the school ceasing to operate.

The bond shall be in an amount determined by the Board to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for a school shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal year by the school. The bond amount shall also be at least ten thousand dollars ($10,000).

Each application for approval shall include a letter signed by an authorized representative of the school showing in detail the calculations made and the method of computing the amount of the bond pursuant to this subpart and the rules of the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

c. An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the Board and approval of one of the guaranty bond alternatives set forth in this subpart. With the approval of the Board, an applicant may file with the clerk of the superior court of the county in which the school will be located, in lieu of a bond:

1. An assignment of a savings account in an amount equal to the bond required (i) which is in a form acceptable to the Board; (ii) which is executed by the applicant; and (iii) which is executed by a state or federal savings and loan association, state bank, or national bank, that is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subpart b. above.
2. A certificate of deposit (i) which is executed by a state or federal savings and loan association, state bank, or national bank, which is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (ii) which is either payable to the State of North Carolina, unrestrictively endorsed to the Board; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the Board; or in the case of a nonnegotiable certificate of deposit, is assigned to the Board in a form satisfactory to the Board; and (iii) for which access to the certificate of deposit in favor of the State of North Carolina is subject to the same conditions as for a bond in subpart b. above. (1945, c. 830, s. 8; 1961, c. 577, s. 5; 1973, c. 1331, s. 3; 1979, c. 695, s. 1; 1981, c. 457, s. 12; 1989 (Reg. Sess., 1990), c. 824, s. 3; 1995, c. 397, s. 1.)

Effect of Amendments. — The 1995 amendment, effective July 10, 1995, rewrote subdivision (2).

CASE NOTES

II. Unlicensed Contractors.

II. UNLICENSED CONTRACTORS.

"Owner's Exemption" for Joint Venturer. — Where plaintiff was acting as a joint venturer, it fit under the "owner's exemption" and was not acting as a general contractor under this section, and therefore is not subject to licensing under the statute. Paving Equip., Inc. v. Lake Providence Properties, Inc., 168 Bankr. 864 (Bankr. W.D.N.C. 1993), aff'd, Paving Equip., Inc. v. Lake Providence Properties, Inc., 168 Bankr. 876 (W.D.N.C. 1994).

Failure to comply with the licensing statute does not destroy a partner's equity interest in a joint venture in which his capital contribution takes the form of construction and other services. Paving Equip., Inc. v. Lake Providence Properties, Inc., 168 Bankr. 876 (W.D.N.C. 1994).

ARTICLE 4.

Electrical Contractors.

§ 87-39. (Effective January 1, 1997) Board of Examiners; appointment; terms; chairman; meetings; quorum; principal office; compensation; oath.

(a) The State Board of Examiners of Electrical Contractors shall continue as the State agency responsible for the licensing of persons engaging in electrical contracting within this State, and shall

§ 87-39 has a delayed effective date. See notes.

consist of one member from the North Carolina Department of Insurance to be designated by the Commissioner of Insurance; one member who has satisfied the requirements for an unlimited license as defined in G.S. 87-43.3 and who is a representative of the North Carolina Association of Electrical Contractors to be designated by the governing body of that organization; and five members to be appointed by the Governor: one from the faculty of The Greater University of North Carolina who teaches or does research in the field of electrical engineering, one who is serving as a chief electrical inspector of a municipality or county in North Carolina, one who has satisfied the requirements for an unlimited license as defined in G.S. 87-43.3 and who is a representative of the Carolinas Electrical Contractors Association operating a sole proprietorship, partnership or corporation located in North Carolina which is actively engaged in the business of electrical contracting, and two who have no ties with the construction industry and who represent the interest of the public at large.

(b) Members of the Board shall serve staggered seven-year terms. Each member shall serve until his or her successor is designated or appointed, and is duly qualified. Vacancies occurring during a term shall be filled for the remainder of that term by the authority that designated or appointed the departing member.

(c) Members of the Board shall not serve consecutive, complete terms. For purposes of this subsection, only a term of less than seven years that results from the filling of a vacancy is an incomplete term; a term of less than seven years that results from the successor's late designation or appointment is not an incomplete term.

(d) All members shall be residents of North Carolina during their tenure on the Board. Any member of the Board may be removed by the authority that designated or appointed that member for misconduct, incompetency, or neglect of duty.

(e) The Board shall hold regular meetings quarterly and may hold meetings on call of the chair. The chair shall be required to call a special meeting upon written request by two members of the Board. At its regular first quarter meeting, the Board shall elect from its membership a chair and a vice-chair, each to serve for one year. Four members of the Board shall constitute a quorum. The principal office of the Board shall be at such place as shall be designated by a majority of the members thereof. Payment of compensation and reimbursement of expenses of Board members shall be governed by G.S. 93B-5.

(f) Before entering upon the performance of his or her duties hereunder, each member of the Board shall take and file with the Secretary of State an oath in writing to properly perform the duties of his or her office as a member of the Board, and to uphold the Constitution of North Carolina and the Constitution of the United States. (1937, c. 87, s. 1; 1969, c. 669, s. 1; 1979, c. 904, ss. 1-3; 1989, c. 709, s. 1; 1995, c. 114, s. 1.)

For this section as in effect until January 1, 1997, see the main volume.

Editor's Note. — Session Laws 1995, c. 114, s. 5, effective January 1, 1997, provides that, notwithstanding the provisions of § 87-39 to the contrary, the terms of members serving on the Board on January 1, 1997 shall expire upon completion of those terms. The following expiration of terms shall apply: the term of one member who represents the interest of the public at large on June 30, 2004; the representative of the Association of Electrical Contractors on June 30, 2005; the chief electrical inspector of a municipality or county on June 30, 2006; and the remaining appointments seven years after their successors' terms expire. Thereafter all terms shall be seven years. Members serving terms less than seven years are not serving complete terms and are eligible for redesignation or appointment to the Board.

Effect of Amendments. — The 1995 amendment, effective January 1, 1997, added the subsection (a), (e) and (f) designations; in subsection (a) deleted the last four sentences regarding the seven year length of terms, filling of vacancies during an unexpired term, North Carolina citizenship and residence of members during their tenure, and consecutive terms; added subsections (b), (c), and (d); in subsection (e) substituted the present third sentence for "The Board shall, at the first meeting following appointment of the new member in each year, meet and elect from its membership a chairman and vice chairman, each to serve for one year"; and made stylistic and gender neutral changes in the catchline and subsections (e) and (f).

§ 87-40. Secretary-treasurer.

At its regular first quarter meeting, the Board shall appoint a secretary-treasurer to serve for one year. The secretary-treasurer need not be a member of the Board, and the Board is authorized to employ a full-time secretary-treasurer and such other assistants and to make such other expenditures as may be necessary to the proper performance of the duties of the Board under this Article. The compensation and the duties of the secretary-treasurer shall be fixed by the Board, and the secretary-treasurer shall give bond in such sum and form as the Board shall require for the faithful performance of duty. The secretary-treasurer shall keep a record of the proceedings of said Board and shall receive and account for all moneys derived from the operations of the Board under this Article. (1937, c. 87, ss. 2, 3; 1969, c. 669, s. 1; 1995, c. 114, s. 2.)

Effect of Amendments. — The 1995 amendment, effective December 1, 1995, substituted the present first sentence for "The State Board of Examiners of Electrical Contractors shall at its first meeting following appointment of the new member in each year appoint a secretary-treasurer for a period of one year"; and substituted "duty" for "his duties" at the end of the third sentence.

§ 87-43.2. Issuance of license.

(a) A person, partnership, firm, or corporation shall be eligible to be licensed as an electrical contractor and to have such license renewed, subject to the provisions of this Article, provided:

(1) At least one listed qualified individual shall be regularly employed by the applicant at each separate place of business to have the specific duty and authority to supervise and direct electrical contracting done by or in the name of the licensee;

(2) An application is filed with the Board which contains a statement of ownership, states the names and official positions of all employees who are listed qualified individuals and provides such other information as the Board may reasonably require;

(3) The applicant, through an authorized officer or owner, shall agree in writing to report to the Board within five days any additions to or loss of the employment of listed qualified individuals; and

(4) The applicant furnishes, upon the initial application for a license, a bonding ability statement completed by a bonding company licensed to do business in North Carolina, verifying the applicant's ability to furnish performance bonds for electrical contracting projects having a value in excess of twenty-five thousand dollars ($25,000) for the intermediate license classification and in excess of seventy-five thousand dollars ($75,000) for the unlimited license classification. In lieu of furnishing the bonding ability statement, the applicant may submit for evaluation and specific approval of the Board other information certifying the adequacy of the applicant's financial ability to engage in projects of the license classification applied for. The bonding ability statement or other financial information must be submitted in the same name as the license to be issued. If the firm for which a license application is filed is owned by a sole proprietor, the bonding ability statement or other financial information may be furnished in either the firm name or the name of the proprietor. However, if the application is submitted in the name of a sole proprietor, the applicant shall submit information verifying that the person in whose name the application is made is in fact the sole proprietor of the firm.

(5) Repealed by Session Laws 1989, c. 709, s. 5, effective August 1, 1989.

(b) A license shall indicate the names and classifications of all listed qualified individuals employed by the applicant. A license shall be cancelled if at any time no listed qualified individual is regularly employed by the applicant; provided, that work begun prior to such cancellation may be completed under such conditions as the Board shall direct; and provided further that no work for which a license is required under this Article may be bid for, contracted for or initiated subsequent to such cancellation until said license is reinstated by the Board. (1937, c. 87, s. 5; 1951, c. 650, ss. 1-2½; 1953, c. 595; 1961, c. 1165; 1969, c. 669, s. 1; 1989, c. 709, s. 5; 1995, c. 509, s. 135.2(e).)

Effect of Amendments. — The 1995 amendment, effective July 1, 1995, substituted "twenty-five thousand dollars ($25,000)" for "seventeen thousand five hundred dollars ($17,500)" in subdivision (a)(4).

§ 87-43.3. Classification of licenses.

An electrical contracting license shall be issued in one of the following classifications: Limited, under which a licensee shall be permitted to engage in a single electrical contracting project of a value not in excess of twenty-five thousand dollars ($25,000) and on which the equipment or installation in the contract is rated at not more than 600 volts; Intermediate, under which a licensee shall be permitted to engage in a single electrical contracting project of a value not in excess of seventy-five thousand dollars ($75,000); Unlimited, under which a licensee shall be permitted to engage in any electrical contracting project regardless of value; and such other special Restricted classifications as the Board may establish from time to time to provide, (i) for the licensing of persons, partnerships, firms or corporations wishing to engage in special restricted electrical contracting, under which license a licensee shall be permitted to engage only in a specific phase of electrical contracting of a special, limited nature, and (ii) for the licensing of persons, partnerships, firms or corporations wishing to engage in electrical contracting work as an incidental part of their primary business, which is a lawful business other than electrical contracting, under which license a licensee shall be permitted to engage only in a specific phase of electrical contracting of a special, limited nature directly in connection with said primary business. The Board may establish appropriate standards for each classification, such standards not to be inconsistent with the provisions of G.S. 87-42. (1969, c. 669, s. 1; 1973, c. 1228, s. 1; 1975, c. 29; 1989, c. 709, s. 6; 1995, c. 114, s. 6.)

Effect of Amendments. — The 1995 amendment, effective July 1, 1995, and applicable to electrical contracting projects commenced on or after that date, substituted "twenty-five thousand dollars ($25,000)" for "seventeen thousand five hundred dollars ($17,500)" near the beginning of the first sentence.

§ 87-43.4. Residential dwelling license.

There is hereby created a separate license for electrical contractors which shall permit an electrical contractor to engage in electrical contracting projects pertaining to single-family detached residential dwellings. The value of a single project pertaining to a single-family detached residential dwelling shall not be in excess of the maximum value, established in G.S. 87-43.3, of a single project engaged in by a licensee with a license classified as limited. The Board shall establish appropriate standards for this new license. The standards of knowledge, experience and proficiency shall be those appropriate for that license. (1973, c. 1343; 1995, c. 114, s. 3.)

Effect of Amendments. — The 1995 amendment, effective July 1, 1995, and applicable to electrical contracting projects commenced on or after that date, added the second sentence.

§ 87-47. Penalties imposed by Board; enforcement procedures.

(a) Repealed by Session Laws 1989, c. 709, s. 9.

(a1) The following activities are prohibited:

(1) Offering to engage or engaging in electrical contracting without being licensed.

(2) Selling, transferring, or assigning a license, regardless of whether for a fee.

(3) Aiding or abetting an unlicensed person, partnership, firm, or corporation to offer to engage or to engage in electrical contracting.

(4) Being convicted of a crime involving fraud or moral turpitude.

(5) Engaging in fraud or misrepresentation to obtain a certification, obtain or renew a license, or practice electrical contracting.

(6) Engaging in false or misleading advertising.

(7) Engaging in malpractice, unethical conduct, fraud, deceit, gross negligence, gross incompetence, or gross misconduct in the practice of electrical contracting.

(a2) The Board may administer one or more of the following penalties if the applicant, licensee, or qualified individual has engaged in any activity prohibited under subsection (a1) of this section:

(1) Reprimand.
(2) Suspension from practice for a period not to exceed 12 months.
(3) Revocation of the right to serve as a listed qualified individual on any license issued by the Board.
(4) Revocation of license.
(5) Probationary revocation of license or the right to serve as a listed qualified individual on any license issued by the Board, upon conditions set by the Board as the case warrants, and revocation upon failure to comply with the conditions.
(6) Revocation of certification.
(7) Refusal to certify an applicant or a qualified individual.
(8) Refusal to issue a license to an applicant.
(9) Refusal to renew a license.

(a3) In addition to administering a penalty under subsection (a2) of this section, the Board may assess a civil penalty of not more than one thousand dollars ($1,000) against a licensee or a qualified individual who has engaged in an activity prohibited under subsection (a1) of this section or has violated another provision of this Article or a rule adopted by the Board. Civil penalties collected under this subsection shall be deposited in the General Fund of North Carolina as nontax revenue.

In determining the amount of a civil penalty, the Board shall consider:

(1) The degree and extent of harm to the public safety or to property, or the potential for harm.
(2) The duration and gravity of the violation.
(3) Whether the violation was committed willfully or intentionally, or reflects a continuing pattern.
(4) Whether the violation involved elements of fraud or deception either to the public or to the Board, or both.
(5) The violator's prior disciplinary record with the Board.
(6) Whether and the extent to which the violator profited by the violation.

(a4) Any person, including the Board and its staff on their own initiative, may prefer charges pursuant to this section, and such charges must be submitted in writing to the Board. The Board may, without a hearing, dismiss charges as unfounded or trivial. The Board may issue a notice of violation based on the charges, to be served by a member of the Board's staff or in accordance with Rule 4 of the Rules of Civil Procedure, against any person, partnership, firm, or corporation for engaging in an activity prohibited under subsection (a1) of this section or for a violation of the provisions of this Article or any rule adopted by the Board. The person or other entity to whom the notice of violation is issued may request a hearing by notifying the Board in writing within 20 days after being served with the notice of violation. Hearings shall be conducted by the Board or an administrative law judge pursuant to Article 3A of Chapter 150B of the General Statutes. In conducting hearings, the Board may remove the hearings to any county in which the offense, or any part thereof, was committed if in the opinion of the Board the ends of justice or the convenience of witnesses require such removal.

(a5) If the person or other entity does not request a hearing under subsection (a4) of this section, the Board shall enter a final decision and may impose penalties against the person or other entity. If the person or other entity is not a licensee or a qualified individual, the Board may impose penalties under subsection (a2) of this section. If the person or other entity is a licensee or a qualified individual, the Board may impose penalties under subsection (a2) of this section, subsection (a3) of this section, or both.

(b) The Board shall adopt and publish rules, in accordance with Chapter 150B of the General Statutes and consistent with the provisions of this Article, governing the matters contained in this section.

(c) The Board shall establish and maintain a system whereby detailed records are kept regarding charges and notices of violation pursuant to this section. CASE NOTES

Hearings on Charges Required. — Though the language is not explicit in requiring that the Board of Examiners of Electrical Contractors hold a hearing on charges, such a requirement is implicit both in the language referring to "hearings of charges" and in the stated purpose of the statute governing the jurisdiction of the Board to hear such charges. Bryant v. North Carolina State Bd. of Exmrs. of Elec. Contractors, 338 N.C. 288, 449 S.E.2d 188 (1994).

It would be contrary to the intent expressed in subsection (a1), that of protecting the public, to determine that plaintiff was not entitled to a hearing and decision on charges brought to effectuate that very purpose. Bryant v. North Carolina State Bd. of Exmrs. of Elec. Contractors, 338 N.C. 288, 449 S.E.2d 188 (1994).

ARTICLE 5.

Refrigeration Contractors.

§ 87-52. State Board of Refrigeration Examiners; appointment; term of office.

For the purpose of carrying out the provisions of this Article, the State Board of Refrigeration Examiners is created, consisting of seven members appointed by the Governor to serve seven-year staggered terms. The Board shall consist of one member who is a wholesaler or a manufacturer of refrigeration equipment; one member from an engineering school of The University of North Carolina, one member from the Division of Public Health of The University of North Carolina, two licensed refrigeration contractors, one member who has no ties with the construction industry to represent the interest of the public at large, and one member with an engineering background in refrigeration. The term of office of one member shall expire each year. Vacancies occurring during a term shall be filled by appointment of the Governor for the unexpired term. Whenever the term "Board" is used in this Article, it means the State Board of Refrigeration Examiners. No Board member shall serve more than one complete consecutive term. (1955, c. 912, s. 1; 1959, c. 1206, s. 2; 1973, c. 476, s. 128; 1979, c. 712, s. 1; 1995, c. 376, s. 1.)

Editor's Note. — Session Laws 1995, c. 376, s. 5, provides "The term of the public member of the Board that is currently scheduled to expire first shall expire on October 1, 1995, and the initial member with the engineering background in refrigeration appointed pursuant to this act shall serve from the date of appointment to January 1, 2001."

Effect of Amendments. — The 1995 amendment, effective October 1, 1995, in the second sentence deleted "Greater" preceding both occurrences of "University", substituted "one member who has" for "and two members who have", and added "and one member with an engineering background in refrigeration."

§ 87-58. Definitions; contractors licensed by Board; examinations.

(a) As applied in this Article, "refrigeration trade or business" is defined to include all persons, firms or corporations engaged in the installation, maintenance, servicing and repairing of refrigerating machinery, equipment, devices and components relating thereto and within limits as set forth in the codes, laws and regulations governing refrigeration installation, maintenance, service and repairs within the State of North Carolina or any of its political subdivisions, provided however, that this Article shall not apply to the replacement of lamps and fuses and to the installation and servicing of domestic household refrigerators and freezers or domestic ice-making appliances connected by means of attachment plug-in devices to suitable receptacles which have been permanently installed, and provided, further, that the provisions of this Article shall not repeal any wording, phrase, or paragraph as set forth in North Carolina General Statutes, Chapter 87, Article 2; and provided, further, that this Article shall not apply to employees of persons, firms, or corporations or persons, firms or corporations, not engaged in refrigeration contracting as herein defined, that install, maintain and service their own refrigerating machinery, equipment and devices. The provisions of this Article shall not apply to any person, firm or corporation engaged in the business of selling, repairing and installing any air-conditioning units, devices or systems for the purpose of cooling offices, buildings, houses, works, manufacturing plants, or any machinery, manufactured article or processing of material.

(b) The term "refrigeration contractor" means a person, firm or corporation engaged in the business of refrigeration contracting.

(b1) The term "transport refrigeration contractor" means a person, firm, or corporation engaged in the business of installation, maintenance, servicing, and repairing of transport refrigeration.

(c) Any person, firm or corporation who for valuable consideration engages in the refrigeration business or trade as herein defined shall be deemed and held to be in the business of refrigeration contracting.

(d) In order to protect the public health, comfort and safety, the Board shall prescribe the standard of experience to be required of an applicant for license and shall give an examination designed to ascertain the technical and practical knowledge of the applicant concerning the analysis of plans and specifications, estimating cost, fundamentals of installation and design as they pertain to refrigeration; and as a result of the examination, the Board shall issue a certificate of license in refrigeration to applicants who pass the required examination and a license shall be obtained in accordance with the provisions of this Article, before any person, firm or corporation shall engage in, or offer to engage in the business of refrigeration contracting. The Board shall prescribe standards for and issue licenses for refrigeration contracting and for transport refrigeration contracting. A transport refrigeration contractor license is a specialty license that authorizes the licensee to engage only in transport refrigeration contracting. A refrigeration contractor licensee is authorized to engage in transport refrigeration and all other aspects of refrigeration contracting.

Each application for examination shall be accompanied by a check, post-office money order or cash in the amount of the annual license fee required by this Article. Regular examinations shall be given in the months of April and October of each year and additional examinations may be given at times the Board deems wise and necessary. Any person may demand in writing a special examination and upon payment by the applicant of the cost of holding the examination and the deposit of the amount of the annual license fee, the Board in its discretion will fix a time and place for the examination. A person who fails to pass any examination shall not be reexamined until the next regular examination.

(e) Repealed by Session Laws 1979, c. 843, s. 1.

(f) Licenses Granted without an Examination. — Persons who had an established place of business prior to July 1, 1979, and who produce satisfactory evidence that they are engaged in the refrigeration business as herein defined in any city, town or other area in which Article 5 of Chapter 87 of the General Statutes did not previously apply shall be granted a certificate of license, without examination, upon application to the Board and payment of the license fee, provided completed applications shall be made prior to June 30, 1981.

(g) The current license issued in accordance with the provisions of this Article shall be posted in the business location of the licensee, and its number shall appear on all proposals or contracts and requests for permits issued by municipalities.

(h) A transport refrigeration contractor having an established place of business doing transport refrigeration contracting prior to October 1, 1995, shall be granted a transport refrigeration contracting specialty license, without examination, if the person produces satisfactory evidence the person is engaged in transport refrigeration contracting, pays the required license fee, and applies to the Board prior to January 1, 1997. The current specialty license shall be posted in accordance with subsection (g) of this section.

(i) Nothing in this Article shall relieve the holder of a license issued under this section from complying with the building or electrical codes, statutes, or ordinances of the State or of any county or municipality or from responsibility or liability for negligent acts in connection with refrigeration contracting work. The Board shall not be liable in damages, or otherwise, for the negligent acts of licensees. (1955, c. 912, s. 7; 1959, c. 1206, s. 1; 1979, c. 843, ss. 1, 2; 1987 (Reg. Sess., 1988), c. 1082, s. 5; 1989, c. 770, s. 13; 1995, c. 376, s. 2.)

§ 87-59. Revocation or suspension of license for cause.

All charges shall be in writing and verified by the complainant, and shall be heard and determined by the Board in accordance with the provisions of Chapter 150B of the General Statutes.

(b) The Board shall adopt and publish guidelines, consistent with the provisions of this Article, governing the suspension and revocation of licenses.

89D-7. Denial, revocation or suspension of certificate.

§ 89D-5. Application for certificate; examination; renewal.

(a) Any person, partnership, association or corporation hereinafter desiring to register and be titled as a landscape contractor shall make written application for a certificate of title to the Board on such forms as are prescribed by the Board. Each applicant for a certificate of title as a landscape contractor shall be at least 18 years of age. Prior to July 1, 1976, each applicant for a certificate shall have been actively engaged as an untitled landscape contractor for at least one year prior to date of application. After July 1, 1976, an applicant shall furnish evidence satisfactory to the Board of three years' experience in landscape contracting or the completion of a study or combination of study and experience in landscape contracting equivalent to three years' experience under a landscape contractor.

(b) Any person who applies to the Board to be registered and titled as a landscape contractor shall be required to take an oral or written examination to determine his qualifications. Each application for registration by examination shall be accompanied by an application fee of fifty dollars ($50.00).

The Board shall compile a manual from which the examination will be prepared. The examination fee shall not exceed seventy-five dollars ($75.00). Any one failing to pass an examination may be reexamined upon payment of the same fee as that charged to persons taking the examination for the first time, in accordance with such rules as the Board may adopt pertaining to examinations and reexaminations.

If the results of the examination are satisfactory, the Board shall issue the applicant a certificate authorizing him to be titled as a landscape contractor in the State of North Carolina upon payment of the initial certification fee as outlined in subsection (c).

(c) All certificates granted and issued by the Board under the provisions of this Chapter shall expire annually on December 31. Renewal of such certificates may be effected at any time during the month preceding the expiration date of such certificates upon proper application to the Board accompanied by the payment to the secretary-treasurer of the Board of a renewal fee, as set by the Board, of not more than fifty dollars ($50.00). The fee for an initial certificate shall be the same as for a renewal certificate and is in addition to the application fee. All certificates reinstated after expiration date thereof shall be subject to a late filing fee of ten dollars ($10.00). In the event a registrant fails to obtain a reinstatement of such certificate within 12 months from the date of expiration thereof, the Board may, in its discretion, consider such registrant subject to the provisions of this Chapter relating to the issuance of an original certificate. Duplicate certificates may be issued by the Board upon payment of a fee of one dollar ($1.00) by the registrant. (1975, c. 741, s. 5; 1983, c. 108, ss. 2, 3; 1991, c. 180, s. 1.)

§ 89D-7. Denial, revocation or suspension of certificate.

(a) The Board shall have power to revoke or suspend certificates of title herein provided. The Board may upon its own motion or upon a verified complaint in writing hold a hearing as hereinafter provided to investigate the actions of any titled landscape contractor. The Board shall have the power to suspend or revoke any certificate of title issued under the provisions of this Chapter if the registrant has by false or fraudulent representations obtained a certificate; if the registrant has been convicted or has entered a plea of nolo contendere to any crime involving moral turpitude in any court, State or federal; if the registrant is found to have committed any act which constitutes improper, fraudulent or dishonest dealing; or if the registrant violates any rule or regulation duly promulgated by the Board.

(b) Chapter 150B of the General Statutes applies to proceedings under this section to deny, revoke, or suspend a certificate. (1975, c. 741, s. 7; 1987, c. 827, s. 74.)
